

Flowchart relating to an illegal e-safety incident

Following an incident the Designated Safeguarding Lead and/or Principal will need to decide quickly if the incident involved any **illegal** activity.

Illegal means something against the law such as:

- Downloading child sexual abuse images
- Passing onto others images or video containing child sexual abuse images
- Inciting racial or religious hatred
- Extreme cases of cyber bullying
- Promoting illegal acts

Was **illegal** material or activity found or suspected?

YES

NO

Inform Police **999**

Follow the advice given by the Police otherwise:

Confiscate any laptop or other device.
If related to school network disable user account (ICT helpdesk as above can help with this)

Save **ALL** evidence but **DO NOT** view or copy. Let the Police review the evidence.

Follow the next flowchart relating to **inappropriate incidents**.
