Whirlwind of adventure and friends

Year 7 pupils at Saint Aidan's High School have been reflecting on their first few weeks at high school...

My first two weeks at Saint Aidan's have been a whirlwind of exciting new adventures and friends.

I have enjoyed learning languages and lots of other new subjects!

On my first day of high school I was quite scared - all of the big people made me

feel small again, but after a week I felt like I had been here for years!

I have made many new friends in my new classes and all of my teachers are so helpful.

I chose Saint Aidan's because it made me feel happy from the moment I walked in the door.

Alex Wilmot said: "My favourite lessons so far have to be German, Music and Food Preparation and Nutrition."

And Regan Parry said: "Thank you Saint Aidan's for a wonderful start."

"Now we are in our third week, I don't get lost that much!" said Isaac Hind.

Settling in well to new school chapter

Before we joined Aspire Academy, we were both nervous for this big change as it was a huge leap from primary to high school. But during transition week we gained confidence for this new chapter of life.

We also made many lovely new friends and learnt many new things including that Aspire was an amazing school and a perfect choice for us. Now we have been in Aspire for a couple of weeks we have settled in well and have accomplished many goals already. All the teachers are wonderful and supportive. The main thing is to not worry about a new change, no matter how big it is, as you never know what's around the corner and we're sure there is still lots more in store for us.

Finally, we have already made memories and most importantly friends - the best ones in each other.
